Occupancy Sensor | Ceiling Mount | PIR Wide | ACS | 40FT

High-bay ceiling-mount PIR sensor with 40FT max height for ACS platform. BLE SigMesh connectivity with wide-area detection pattern for warehouse, distribution, and industrial applications.

TECHNICAL SPECIFICATIONS

Detection Technology	PIR Wide-Area	IP Rating	IP20
Input Voltage	120-277V AC	Certification	UL Listed
Max Mounting Height	40FT (12m)	Mounting	Ceiling Mount
Detection Range	High Detection	Commissioning	ACS by ALG App (iOS)
Network	BLE SigMesh	Operating Temp	-20°C to +50°C
Mesh Capacity	Up to 500 nodes	Finish	White
DLC NLC	Qualified	Application	Ceiling

FEATURES

- 40FT high-bay capable
- DLC NLC qualified
- Wide-area high-detection PIR
- 500 node mesh capacity
- Zone scheduling
- BLE SigMesh networked
- ACS by ALG app commissioning
- 120-277V line voltage
- Cloud energy analytics
- Utility rebate eligible
