MSP-SRI/8CM/HD/ACS

Occupancy Sensor | Ceiling Mount | PIR Wide | ACS | 8FT

Ceiling-mount PIR sensor with wide-area detection for ACS networked platform. BLE SigMesh connectivity with ACS by ALG NLC app commissioning. DLC NLC qualified for utility rebates. 120-277V line voltage input.

TECHNICAL SPECIFICATIONS

Detection Technology	PIR Wide-Area	IP Rating	IP20
Input Voltage	120-277V AC	Certification	UL Listed
Max Mounting Height	8FT (2.4m)	Mounting	Ceiling Mount
Detection Range	Wide Coverage	Commissioning	ACS by ALG App (iOS)
Network	BLE SigMesh	Operating Temp	-20°C to +50°C
Mesh Capacity	Up to 500 nodes	Finish	White
DLC NLC	Qualified	Application	Ceiling

FEATURES

- BLE SigMesh networked control
- ACS by ALG app commissioning
- 120-277V line voltage input
- Cloud energy analytics
- Over-the-air firmware updates
- DLC NLC qualified
- Wide-area PIR detection
- Up to 500 node mesh network
- Zone-based scheduling
- Utility rebate eligible

COMPATIBLE LUMINAIRE FAMILIES

All ALG luminaire families
